PEUGEOT **EXPERT**

PRICES - EQUIPMENT - TECHNICAL SPECIFICATIONS

Effective from 15th April 2024
2024A (J0) Model Year

LET'S BEGIN

PEUGEOT EXPERT

New PEUGEOT EXPERT features a renewed design, improved efficiency, the latest-generation connectivity and more sophisticated driving aids. It also retains the robustness, versatility and driving dynamics that have made it such a success with professionals.

Within the interior, the driving position has been extensively redesigned for greater comfort, ergonomics and practicality. The dashboard and steering wheel have also been redesigned, while the digital instrument cluster and the large central 10-inch touchscreen make the interface between driver and vehicle an enjoyable and efficient one.

PEUGEOT EXPERT PANEL VAN

New PEUGEOT EXPERT Panel Van is available in a number of versions: Standard (4.98m) or Long (5.33m) panel van, and two trim levels: Professional and Asphalt.

PEUGEOT EXPERT | STANDARD EQUIPMENT BY EDITION

PANEL VAN PROFESSIONAL

COMFORT AND CONVENIENCE

- Electrically operated front windows with one-touch facility
- Manual parking brake (ICE Only)
- Electric parking brake (EV Only)
- Paddles for regenerative braking selection. Three levels – light; medium; strong (EV Only)

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government). Please see our Prices and Specifications brochures or contact your local Citroën Retailership for the most up-to-date prices and specification details for all models. CO2 figures above are for a standard vehicle without any additional optional equipment. The addition of optional extras could increase the certified CO2 emission output. * Driver Edition versions benefit from the EXTENSO® seat which provides an

additional load length of 1162mm and increases the load volume by 0.5m³. ** WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO2 values of other vans tested to the same technical standard. The fuel consumption achieved, and CO2 produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO2 figures. † All Manufacturer's Recommended Basic

Prices are exclusive of V.A.T., Delivery to Retailer and Number Plates, Government First Registration Fee and Vehicle Excise Duty. ^ The Government PiVG is worked out at 35% of the Base Vehicle Price (incl. VAT) and including any discounts applied up to a maximum of £5,000. On-the-road pricing includes number plates and delivery to Retailer of £995.00 exc. VAT (£1,194.00 inc. VAT) and new vehicle first registration fee of £55.00 (correct at time of publication). Excludes fuel and insurance.

PEUGEOT EXPERT | EQUIPMENT (5/5)

KEY: ● STANDARD ○ OPTIONAL — UNAVAILABLE

DESCRIPTION

SEATING

Heated Driver's Seat with controls on seat (EV Only)

Heated Driver's Seat with controls on seat

Three-individually contoured rear seats with adjustable headrest and 2 armrests. Removable storage compartment under left and center seats (access from the passenger area) and with area for long payload under right seat (access from the loading area).

Dual front passengers' bench seat with underseat storage

Moduwork®: dual passenger bench seat with fold-up outer seat, fold-down writing table in central seat back and storage under central seat. Height adjustable driver's seat with lumbar adjustment and armrest.

WHEELS, TYRES AND EXTERIOR STYLE

Front/Rear Bumper - Black

Door Handles - Black

Side protection - Black

Exterior Look Pack:

- Painted Front bumper
- Painted Rear Bumper (Medium only)
- Painted Rear Bumper Corners; Centre section remains black (Long only)
- Painted exterior handles
- Painted decor strips
- Fog lamps

Door Handles - Black

Door Handles - Body Colour

ICE - Tyre 215/65 R16 C 106T Michelin AGILIS 2 or 215/65 R16 C 109T Continental (C class)

BEV - Tyre 215/65 R16 C 106T Michelin AGILIS 3 (B class)

Tyre 215/60 R17 C 104H Michelin AGILIS(C class)

Tyre Pressure Monitoring System (TPMS)

16-inch steel wheels with half hubcap

17-inch black Steel wheels with full size hubcap

2nd row glazed windows: dark tinted acoustic fixed windows left and right side (opacity level approx. 70%)

PEUGEOT EXPERT | OPTIONS (1/2)

KEY: ● STANDARD ○ OPTIONAL — UNAVAILABLE

DESCRIPTION
SAFETY/SECURITY
Remote control ultrasonic security alarm system (from MYG4 Alarm become optional on Trim-1)
Side airbags 1st row driver and passenger thorax in the seats + curtain for the head
CARGO/LOADING
2nd row Window, fixed, LH & RH (opacity level approximately 30%)
Rear Tailgate with fixed window, with heating & wiper (opacity level approximately 30%)
Symmetrical Glazed Rear Doors - 180° opening - with heating&wiper (opacity level approximately 30%)
Glazed Bulkhead
Polycarbonate "Comfort" contoured bulkhead (glazed). Provides an additional 40mm of seat travel and 8.5° of tilt on the driver's seat. Reduces load length by 116mm at a height of 1m from the floor.
Moduwork®: dual passenger bench seat with fold-up outer seat, fold-down writing table in central seat back and storage under central seat. Height adjustable driver's seat with lumbar adjustment and armrest.
Towbar - heavy duty removable with tool (ball and hook). Includes 13-connectors plug (ICE Only)
BEV
High Voltage Charger 11kW - includes 22kW Cable
WHEELS & TYRES
Full Size Spare Wheel, Steel (Black Steel Rim)
Alloy Wheel 17 x 7.0 J
DRIVER COMFORT
Front Seat - Passenger (Single)
CONVERTER
Converter Pack:
- Upgraded battery and alternator (L3 720 battery, class 18 alternator)
- Towbar pre-conditioning (rear electric harness + fast connectors (behind rear bumper) + beam with 13 pin socket),
- Conversion interface box - Only for use for electrical connections for integral elements of a vehicle conversion

DESCRIPTION

PACKS

Worksite Pack

- Increased ground clearance (175mm)
- Under engine protection plate
- Full-size spare wheel

City Pack w/- Dynamic Surround View

- Digital rear view mirror and lateral side view
- Front & Rear Park Assist
- Flankguard detection of fixed obstacles
- Visiopark 180
- Blind spot detection
- Foldable mirror
- Foglamps

Not available with tailgate or glazed rear doors.

Connected NAV Pack

- Navigation IVI HIGH: HD
- Foglamps
- Foldable Mirror

Drive Assist Pack

- MT: Active Cruise Control - System can reduce speed down to 30 kmh
- AT: Stop & Go - System can bring vehicles to complete stop
- Leather heated steering wheel
- Electric Parking Brake
- Heated Driver seat
- Athermic windshield

Not available with 120PS engine.

Camera Park

- Visiopark 180° (Rear Parking Camera)

Urban Pack

- Front park assist
- Flankguard
- Blind-Spot Detection
- Power-folding Mirrors
- Fog-Lights

The fuel consumption or electric range achieved, and CO2 produced (where applicable), in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); the starting charge of the battery; variations in weather; driving styles and vehicle load.

The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption, electric range and CO2 figures.

Figures shown are for comparison purposes and should only be compared to the fuel consumption, electric range and CO2 values of other cars tested to the same technical standard.

[^] 'LOW': Low speed city driving, representative of city centre driving, maximum 35mph.

^{^^} 'MEDIUM': Medium speed town driving, representative of town or suburban driving, maximum 50mph.

^{^^^} 'HIGH': High speed rural driving, representative of A-road or dual carriageway driving, maximum 60mph.

^{^^*} 'EXTRA HIGH': Extra High speed motorway driving, representative of a typical European motorway, maximum 81mph.

^{^^^*} 'COMBINED': A mixed journey average of all elements.

Figures quoted reflect a range of configurations (including non-UK market vehicles) and are subject to changes resulting from ongoing product development, range evolutions, testing and evaluations.

*Please note: The EAER, Equivalent All Electric Range, is for business tax calculations only and does not represent the actual range attainable by the vehicle.

FUEL TANK CAPACITY LITRES (GALLONS)	70 (15.4)			
ADBLUE TANK CAPACITY LITRES (GALLONS)	22.5 (4.95)			

By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

For an extra experience of dynamism, the shift paddles for automatic transmissions are located behind the steering wheel, offering drivers an extra level of control that is highly ergonomic and intuitive.

The shift paddles function in the following way:

- To go up a gear, the driver must pull the right lever towards themselves
- To go down a gear, the driver must pull the left lever towards themselves – Please note: only consecutive gear changes are possible
